Reminders

Reminder

Please bring in egg drop box on
Tuesday. I will be supplying the eggs. We
are excited to finish learning about
force and motion.

...

Have fun and be safe
Trick-or-Treating!

...

A "reminder" slip for parent teacher
conferences came home last week.
Please make sure that time and day
works for you. Sign and return the slip
to confirm your day and time slot.

...

Study, spelling words, test on Friday!

...

Thanks for your support!

Our Week of Learning

Reading & Writing

Reminder to turn in choice boards with
two completed activities on **Friday!**

We are still building our writing stamina.
Students are writing stories about
various topics. Students must include a
topic and closing sentence in their
writing!

Math

We are starting a new topic this week in
math. Topic 5 will cover Addition Facts
to 20. If students are struggling with
adding, let them use the math cubes to
help them with their homework. Cubes
help them with visualizing the math
problem.
