If I have not requested a conference for your child and you would like one, please just indicate that you would like one and circle three times. If I did not want a conference and you do not want a conference, then no conference will be scheduled. As always let me know if you have any questions.

Our Week of Learning

Reading

In reading, we are still working on finding the theme of a story.

To find the central message of a story, students have to identify what the characters learn from the story. It is the moral lesson of the story.

There will be no R.E.D folders this week.

We are starting new guided reading groups. Folders will be sent home next week!

Math

We are still working on Topic 9 Comparing Numbers to 120! Students will learn how to compare numbers using symbols. (<, >, & =)
