## Our Week of Learning

### Reading & Writing

We will be reviewing letter formations  
and letter sounds. Students are also  
learning about IRAs (interactive read  
alouds). I will do an IRA EVERYDAY!  
Students will participate in turn and  
talks, this will allow them to talk about  
ideas in the book with a partner.

### Math

We will be reviewing numbers and their  
formations. We will start EnVisions math  
program on Wednesday! The first Topic  
is about Addition.
