Reminders

Grandparents Breakfast is Monday, September 10th from 8:10-8:40am. Return yellow form that your child brought home in their folder if they would like a grandparent to join them for breakfast.

...

HOMEWORK

Homework will start this week. I hope you enjoyed the extra few days for family time in August. Now we are going to reinforce what we do in the classroom at home!

Read Every Day folder - will come home nightly in a blue bag. Each child must read for about 10 minutes nightly. Once they have read to you (at this time they may need help), then they need to write the title of the book in the correct spot.

Math page - will come home nightly as well. This directly relates to what we did in class that day.

Spelling practice - on the back of the math sheet, some days there will be spelling practice.

Reading page - if there is not spelling, some days students may have a grammar or reading comprehension sheet

Thank you for helping foster a love for learning!

Our Week of Learning

Reading & Writing

We are learning about Literacy Collaborative framework. Students are going to try different center activities this week.

Spelling Tests

This year your child will have spelling tests! Spelling tests will be on (about) a 10 day cycle (every 2 weeks). The first four test will be about learning to look for patterns in words by looking at numbers, colors, days of the week, and months of the year words. **Our first test will be on Thursday, September 13th on number word 1-10.**

Math

We are still learning and developing our addition skills. **Test will be on Friday!**
